Class Placement: Parents should enroll their child in the class that matches child's age in September, 2017. Children enrolled in the Fall session whose parents want to continue will stay in the same class for the duration of the year (and will age with other participants). Children who enroll after the start of the year should select the class that their child was aged in September. Questions? Call our office at 530-753-1651.

Refund Policy: Full refunds will be processed when requested 10 business days prior to the date of the first class, less a \$25.00 administrative fee. If you have attended the first class only and feel it does not meet the needs of your child, a prorated refund will be given. This request for a refund must be in writing and received in the school office within 72 hours following the first class. We reserve the right to cancel a class due to unforeseen circumstances, in which case a prorated refund will be given.

Waiting Pool: Once a class is filled, registrants will be placed in a waiting pool based upon the receipt of the completed registration form and deposit received at the Davis Waldorf School Office. The registrants will be assigned from the waiting pool and notified via telephone as space becomes available on a first-come, first-served basis.
