AGES 7-11 (ENTERING 2ND-ENTERING 6TH GRADES)

Summergarden offers children entering 2nd-6th grades dynamic, hands-on activities in thematic blocks, guided by an outstanding staff. Each day, children spend one session crafting, and the other session in our garden or other outdoor spaces. In addition, children help prepare food, sing, play games, and have time to relax into summer.

A nutritious snack and lunch are prepared daily and served family style—and included in the cost of tuition. When available, fruits and vegetables will be harvested from our garden. All sessions include time in our garden, free play and time helping Director Par Duncan with snack and preparation.
